I have meeting on Tuesday with permit Engineer RE: another permit. I will arrange with you following that particular post-inspection activity.

Hi Shannon,

You asked me to choose a time to visit Hickman's Egg Ranch. Tuesday, 10/27, after 11:00 is my earliest opening. However, my Outlook calendar is up to date if you prefer a different day and want to see my schedule. Todd has asked me to view their egg washing, processing and drying operations to see if they need to be permitted. If possible, I would like to drive past the Tonopah plant while we're out since most of the hearing comments are in regards to that location.

Thanks,
